In 2026, the UCI BMX Racing World Championships head to Brisbane, Australia, where more than 3000 riders from around the world are expected to compete on the 400-metre Brisbane BMX Racing Track at the Sleeman Sports Complex.

For the first time, the Championship racing will be held before the Challenge and Masters competitions: Men and Women Elite, Under 23 and Junior riders will take to the track on 18-19 July, before four days (22–25 July) of racing bringing together amateur riders vying for glory in their respective age categories!

Brisbane, hometown of reigning Olympic Champion Saya Sakikibara, hosted the third and fourth rounds of the 2024 UCI BMX Racing World Cup, marking the city's first appearance on the series' calendar.

More widely, Australia's connection to BMX Racing runs deep. The nation previously hosted the UCI BMX World Championships in Melbourne (1998), Perth (2003), and Adelaide (2009), and staged UCI World Cup rounds in Adelaide (2008) as well as Shepparton and Bathurst (2020). Looking ahead, the first four rounds of the 2028 UCI BMX Racing World Cup will be held in Australia, while Brisbane's role as host of the 2032 Olympic and Paralympic Games further reinforces its reputation as a global centre for Elite sport.

With its cutting-edge facilities, vibrant sporting culture, and growing legacy in BMX Racing, Brisbane 2026 is set to showcase the sport at its very best: fast, fierce, and full of grit.
